**The Unemployed Millionaire: Escape the Rat Race, Fire Your Boss and Live Life on YOUR Terms!** By Matt Morris

**A self-made millionaire shows you how to make millions while living life on your own terms**

At just eighteen years old, Matt Morris founded his first marketing business. At twenty, he dropped out of college to pursue business full-time. At twenty-one, he was homeless and deeply in debt, living out of his car. It was then that he made a life-changing decision to re-invent himself and his career. By twenty-nine, Matt was a self-made millionaire. How did he do it?

In *The Unemployed Millionaire*, Morris reveals how he turned his life around and shatters the myth that it takes money to make money. Thanks to the Internet explosion and the ease of global trade, it is possible for anyone to start a business and market their products worldwide to millions of customers. Here, Morris unlocks the secrets and provides you with the specific moneymaking formula he used to turn his ideas into a fortune.

- Equips you with a step-by-step formula for turning your great idea into a million-dollar business in as little as twelve months
- Proves you don't have to be smart, lucky, or rich to make millions
- Gives you the specific success principles all millionaires follow
- Author Matt Morris is an internationally recognized speaker who selectively mentors other entrepreneurs, traveling the world, working very little, and earning millions in the process
- With a foreword by Les Brown, motivational speaker, bestselling author, and television personality

If you're serious about earning millions without working your fingers to the bone, *The Unemployed Millionaire* gives you the powerful strategies needed to turn your dreams into a reality.

### Editorial Review

From the Inside Flap

Have you ever imagined what it would be like to earn millions while you sit on the beach and enjoy your life? In *The Unemployed Millionaire*, you'll learn why it's no longer a pipe dream but a real possibility.

The lowering of trade barriers and the emergence of the Internet have made it possible for almost anyone to set up a business from anywhere. Whether you're on a beach in Bali or a cruise ship in Alaska, the Internet lets you instantly market your products and services to millions of consumers around the world.

Making money today is a matter of click-and-order, not brick-and-mortar. *The Unemployed Millionaire* shows you how to capitalize on this growing trend and shatters the myth that making millions requires huge capital investments, years of experience, or long hours stuck in a stuffy office.

Inside, Matt Morris gives you the same tactics he used to climb out from under \$30,000 in debt on his way to generating a staggering \$20,000,000 in a few short years.

#### You'll also learn:

- Proven ways to earn your first profits online in less than a week
- How to easily set up and market a Web site, or better yet, have someone else do it for you
- Five simple strategies to crush your competition
- A step-by-step process to recruit joint venture partners to market your Web site—the same exact system Morris used to recruit three partners who earned him over \$1 million each
- An easy-to-implement three-step management system you can use to run your entire empire while you travel the world, or whatever else your heart desires

If you know where you want to be—and it's not stuck in a dead-end job—read *The Unemployed Millionaire* and change your life today.
