1945: A Novel By Robert Conroy

America has dropped atomic bombs on Hiroshima and Nagasaki. But Japan has only begun to fight . . .

In 1945, history has reached a turning point. A terrible new weapon has been unleashed. Japan has no choice but to surrender. But instead, the unthinkable occurs. With their nation burned and shattered, Japanese fanatics set in motion a horrifying endgame—their aim: to take America down with them.

In Robert Conroy's brilliantly imagined epic tale of World War II, Emperor Hirohito's capitulation is hijacked by extremists and a weary United States is forced to invade Japan as a last step in a war that has already cost so many lives. As the Japanese lash out with tactics that no one has ever faced before—from POWs used as human shields to a rain of kamikaze attacks that take out the highest-value target in the Pacific command—the invasion's success is suddenly in doubt. As America's streets erupt in rioting, history will turn on the acts of a few key players from the fiery front lines to the halls of Washington to the shadowy realm of espionage, while a mortally wounded enemy becomes the greatest danger of all.

Praise for Robert Conroy's 1901

“Likely to please both military history and alternative history buffs . . . The writing . . . keeps us turning the pages.”

—Booklist

“Fascinating . . . skillfully crafted.”

—Oakland Press

“Packed with action.”

—Detroit News

Editorial Review

From Publishers Weekly

At the start of Conroy's compelling third alternate history (after *1901* and *1862*), military extremists, honor bound by the Japanese code of Bushido, kidnap Emperor Hirohito hours before he's set to announce his country's formal surrender in the aftermath of the atom bomb attacks on Hiroshima and Nagasaki. Led by aging samurai and fanatical army general Korechika Anami, the new regime manipulates President Truman into invading the Japanese home islands. The massive offensive (with ground forces led by Gen. Douglas MacArthur) meets stiff resistance, including kamikaze attacks and the use of POWs as human shields. But as the U.S. finds itself slowly sinking into a nightmarish military quagmire, two improbable heroes chart a path to victory. Conroy explores the carnage of war through numerous viewpoints (a naïve American soldier, an escaped POW, a Japanese-American operative, the deposed emperor, etc.) with moving and thought-provoking results. For another take on the same scenario, see Douglas Niles and Michael Dobson's *MacArthur's War: A Novel of the Invasion of Japan* (Reviews, Mar. 26). (May 29)

From Booklist

Conroy has Japan's surrender after the A-bombs short-circuited by extremists. That leads to a typhoon-battered U.S. invasion that encounters last-ditch Japanese resistance. There are a third of a million American casualties, and two more A-bombs are dropped on Japan. Realistic to the point of gruesomeness, *1945* recalls David Westheimer's classic *Lighter Than a Feather* (1971). *Roland Green*

Users Review

From reader reviews:

Ronald Castaneda:

Spent a free time to be fun activity to complete! A lot of people spent their spare time with their family, or their own friends. Usually they undertaking activity like watching television, likely to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your free time/ holiday? Can be reading a book is usually option to fill your free of charge time/ holiday. The first thing that you will ask may be what kinds of guide that you should read. If you want to try out look for book, may be the publication untitled *1945: A Novel* can be fine book to read. May be it could be best activity to you.

Emilio Lutz:

Reading can called mind hangout, why? Because when you are reading a book especially book entitled *1945: A Novel* your brain will drift away trough every dimension, wandering in every single aspect that maybe unidentified for but surely will end up your mind friends. Imaging each word written in a reserve then become one contact form conclusion and explanation that will maybe you never get prior to. The *1945: A Novel* giving you one more experience more than blown away your head but also giving you useful information for your better life in this era. So now let us show you the relaxing pattern here is your body and mind is going to be pleased when you are finished examining it, like winning a game. Do you want to try this

extraordinary shelling out spare time activity?

Glenda Rogers:

Many people spending their time frame by playing outside with friends, fun activity having family or just watching TV all day long. You can have new activity to pay your whole day by reading through a book. Ugh, do you think reading a book will surely hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like 1945: A Novel which is keeping the e-book version. So , try out this book? Let's notice.

Elizabeth Black:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is created or printed or outlined from each source that filled update of news. In this particular modern era like at this point, many ways to get information are available for an individual. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your understanding by that book. Isn't it time to spend your spare time to spread out your book? Or just seeking the 1945: A Novel when you essential it?
