## Buy Now Pay Later - How Debt is Used to Create Financial Slavery By Ifayomi Grant

‘Buy Now Pay Later’ is the sixth book by UK based author Ifayomi Grant. In this work he provides a wideranging explanation of how global economics works, from how personal consumption and debt is used to enslave the individual and drive national economies, right up to how complex financial instruments such as derivatives are at the heart of what he considers to be a deliberately engineered global economic crisis. This book looks at economics and money from a historical, sociological, psychological and cultural perspective whilst providing the reader with some practical ideas as to how they can effect change in their own lives as well as in their local community.
