Foundations of Finance (9th Edition) (Pearson Series in Finance) By Arthur J. Keown, John H. Martin, J. William Petty

For undergraduate courses in Corporate Finance.

The Five Key Principles for the Foundations of Finance

Foundations of Finance retains its foundational approach to the key concepts of finance, bolstered by real-world vignettes, cases, and problem exercises. Utilizing five principles, which are presented at the beginning of the book and applied throughout, the authors introduce a multi-step approach to financial problem solving that appeals to readers' at all levels, math and numerical skills. As in previous editions, the **Ninth Edition** focuses on valuation and opens every chapter with a vignette based on financial decisions faced by contemporary, real-world companies and firms. Other highly useful features include mini cases, cautionary tales, lists of key terms, and a discussion of ethics. Revised and updated, the newest edition includes new lecture videos, financial thinking, user feedback, and lessons from the recent economic crisis.
