### Editorial Review

#### Review

*"Like a beautifully composed piano composition, Twin Souls connects with readers - presenting a vampire novel that makes them question who the real monsters are."*

-Booknut 101

*"It can be difficult to write about vampires after twilight since it became such a big hit so everyone who have read the books will compare them to other books in the same genre unless you come up with something unique. I really think Poe did that here!"*

-Cecilia, Rather Barefoot than Bookless

K.A. Poe's passions have always been writing and reading, escaping reality and starting adventures in worlds beyond the mundane familiarity of Earth. Full of imagination, creativity and wonderment, K.A. Poe almost always has a fresh idea in mind for a new tale to tell. When she isn't reading or writing she can be found playing video games or designing in Photoshop. She is a hoarder of colorful socks and admirer of squirrels and penguins (and by "admirer", this clearly means she squeals at the mere sight of either animal).

She resides in the deserts of Arizona with her husband and daughter. Accompanying the trio is K.A. Poe's writing assistant Aries (who happens to be a cat and doesn't do much in the way of assisting or writing, unless you consider sleeping on the keyboard helpful... ) and their two other furry companions - Lyra and Gemini.
