Animal Farm By George Orwell

Manor Farm is like any other English farm, except for a drunken owner, Mr Jones, incompetent workers and oppressed animals. Fed up with the ignorance of their human masters, the animals rise up in rebellion and take over the farm. Led by intellectually superior pigs like Snowball and Napoleon, the animals how to take charge of their destiny and remove the inequities of their lives. But as time passes, the realize that things aren't happening quite as expected. Animal Farm is, one level, a simple story about barnyard animals. On a much deeper level, it is a savage political satire on corrupted ideals, misdirected revolutions and class conflict-themes as valid today as they were sixty years ago.

Editorial Review

Review

his is a review of the physical quality of the book rather than the reading matter presented in the book itself. A review of this book can be found anywhere online. But if you are planning to order this copy, and if you're a bibliophile like me, then you'd want to know about the physical quality of the book you are going to get your hands on. I bought the Animal Farm by the publisher Penguin. The one with the red cover and the pink silhouette of a pig with the line 'All animals are equal, but some animals are more equal than others' written on it. This is a good, solid copy --Shaik Adil on Oct 26, 2014

This book is a must read for anyone who wishes to understand the political system of his/her's respective country especially democracy. Through the use of animals the author George Orwell, efficiently displays the corrupting influence of power. This book I believe helps the reader to gain a bird's eye view of the scenario of politics that prevails in his/her's political system. It is a very interesting and amazing read for the readers. So go for it. --Aishwarya on Sep 29, 2014

This is undoubtedly one of the best books i have read in my life ime. It is a great satire that mocks both Capitalism and Communism. Simple language too. Absolutely amazing --Adil Ummer on Feb 28, 2015

About the Author

George Orwell was born in 1903 in India. A year later, his mother Ida Blair moved back to England with her children. Orwell initially studied at a Catholic Convent, but later moved to a boarding school, Cyprian s School. He went to Eton on a scholarship, but did not complete his studies. He joined the Imperial Police and was posted in Burma. He later returned to Europe, and lived in Paris and London, before finally settling down in England. His book, Down and Out in Paris and London, was published under the pen name of George Orwell. In 1945 came Animal Farm, which made him world famous, and his reputation as a great writer was sealed with the publication of Nineteen Eighty Four in 1949, shortly before his death.

Users Review

From reader reviews:

Diane Gibbons:

This Animal Farm are generally reliable for you who want to be described as a successful person, why. The reason why of this Animal Farm can be one of many great books you must have is giving you more than just simple looking at food but feed an individual with information that maybe will shock your prior knowledge. This book is definitely handy, you can bring it almost everywhere and whenever your conditions throughout the e-book and printed kinds. Beside that this Animal Farm forcing you to have an enormous of experience for example rich vocabulary, giving you demo of critical thinking that we know it useful in your day exercise. So , let's have it and luxuriate in reading.

Nancy Deanda:

A lot of people always spent their particular free time to vacation or go to the outside with them household or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, or perhaps

playing video games all day long. If you wish to try to find a new activity that's look different you can read any book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day long to reading a reserve. The book Animal Farm it doesn't matter what good to read. There are a lot of people that recommended this book. These folks were enjoying reading this book. In case you did not have enough space to bring this book you can buy the actual e-book. You can m0ore quickly to read this book out of your smart phone. The price is not too costly but this book provides high quality.

Douglas Elem:

As we know that book is important thing to add our information for everything. By a guide we can know everything we really wish for. A book is a range of written, printed, illustrated or perhaps blank sheet. Every year was exactly added. This e-book Animal Farm was filled about science. Spend your spare time to add your knowledge about your technology competence. Some people has several feel when they reading a new book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like now, many ways to get book that you just wanted.

Elizabeth Villalobos:

A lot of publication has printed but it differs from the others. You can get it by world wide web on social media. You can choose the top book for you, science, comedian, novel, or whatever simply by searching from it. It is known as of book Animal Farm. You'll be able to your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make an individual happier to read. It is most important that, you must aware about publication. It can bring you from one destination to other place.
