H2O By Jane Martin

After arriving to the City of Angels, an aimless young man catapults to movie stardom and into Hollywood's sleazy celebrity culture. Banking on his fame (and name), he is soon selected to appear on Broadway in Hamlet. Given full casting approval, he embarks to New York City to seek out his Ophelia and encounters his muse and his match -a young evangelical Christian woman set on getting the role...and saving his life. Originally produced at the Contemporary American Theatre Festival in 2013, *H2O* transports audiences into the reclusive, madcap world of Jane Martin's drama/comedy/love story about self-destruction, notoriety, and the dark journey to purity and salvation.
