Blake Crouch on How the Television Series *Twin Peaks* Inspired *Pines*

On April 8, 1990, the pilot episode of Mark Frost and David Lynch's iconic television series, *Twin Peaks*, aired on ABC, and for a moment, the mystery of *Who Killed Laura Palmer?* held America transfixed. I was twelve at the time, and I will never forget the feeling that took hold of me as I watched this quirky show about a creepy town with damn fine coffee and brilliant cherry pie, where nothing was as it seemed.

Read on to find out what it was about *Twin Peaks* that inspired *Pines* at www.kindlepost.com.

From Booklist

Starred Review Ethan Burke is on his way to the small town of Wayward Pines to find two fellow federal agents who have gone missing. He has a bad car accident on the edge of town, waking up in the hospital and not at all sure of what is going on. The psychiatrist on staff tells him that he has suffered a brain injury and warns him not to leave, but he takes off anyway. The town sheriff is less than helpful, and, with no ID or money, Burke can't reach his superior or his wife, and he starts fearing for his sanity (reminiscent of Dennis Lehane's *Shutter Island*). Matters turn ominous when Burke finds the ravaged body of one of the missing agents and realizes he needs to run for his life. Clearly, despite the idyllic beauty of Wayward Pines, something is seriously out of kilter: a helpful bartender disappears, picnicking mothers turn homicidal, and seemingly innocent children display maniacal tendencies. The suspense builds to an almost unbearable point, culminating with a twist that ratchets it up even further. Fans of Stephen King, Peter Straub and F. Paul Wilson will appreciate this genre-bending, completely riveting thrill ride, which mixes suspense, horror, science fiction and dystopian nightmare all rolled up into one unputdownable book. —Stacy Alesi

Review

"A thrill and a surprise on every page. Blake can write. Even better, he knows how to tell a gripping story."
