### Editorial Review

#### About the Author

Karen Ranney wanted to be a writer from the time she was five years old and filled her Big Chief tablet with stories. People in stories did amazing things and she was too shy to do anything amazing. Years spent in Japan, Paris, and Italy, however, not only fueled her imagination but proved she wasn't that shy after all.

Now a *New York Times* and *USA Today* bestseller, she prefers to keep her adventures between the covers of her books. Karen lives in San Antonio, Texas.

### Users Review

#### From reader reviews:

##### **Michael Vu:**

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the guides.
