The Catalyst Leader: 8 Essentials for Becoming a Change Maker By Brad Lomenick

"Your legacy, regardless of where you are in your leadership journey, starts now. Leading well now means finishing well later." - Brad Lomenick

We need great leaders. More than ever we need authentic, collaborative, inspiring men and women of integrity at the helm of society- and too often our leaders fall short. Some focus on personal success, alienating those they lead. Others shift their principles when it is convenient.

There is a better way. You can energize and inspire the people around you. You can equip a team of principled collaborators to answer God's calling. You can be a catalyst leader.

In *The Catalyst Leader*, Brad Lomenick describes the skills and principles that define a true change maker. This book offers eight key essentials by which a leader can influence others and make a difference, laying out the path to the keys for becoming an effective leader.

Lomenick shares wisdom, practical knowledge, and stories of success and failure from his own journey of running Catalyst, one of America's most influential leadership movements. And the lives of dozens of leaders around the world- from the creators of famous reality show to pastors, from ranch workers to a Silicon Valley designer. These men and women are living proof that good leadership inspires and innovates, while poor leadership leaves us with hopelessness and regret.

Leading can be a difficult road, and many choose to follow. But you can take a better path. Begin your journey to becoming a catalyst leader.

Editorial Review

Review

"Called, but not yet equipped." Now there's a phrase I can relate to. That's how my friend Brad Lomenick describes his initiation into the world of leadership. Little did he know that his discipline and faithfulness would eventually land him in a role that would give him the opportunity to influence tens of thousands of emerging leaders in the U.S. and around the world. *The Catalyst Leader* is a must-read for next-gen leaders who want to start strong, end strong, and change their worlds along the way.

--Andy Stanley, Senior Pastor, North Point Ministries

Brad has captured some of the most elusive and fundamental lessons of leadership in a readable and actionable way. Any hungry leader will find plenty to chew on here!

-- Patrick Lencioni, president, The Table Group; best selling author, *The Five Dysfunctions of a Team* and *The Advantage*

I've seen and experienced the Catalyst leadership and Brad in action and up close. It's the real deal, and so is this book. We need a new generation of change makers, and *The Catalyst Leader* outlines the keys for making a difference now.

-- Mark Burnett, award winning executive producer and creator of *The Voice*, *Survivor*, *Apprentice* and *Shark Tank*

Brad Lomenick has dedicated himself to a noble quest: helping young people become great leaders. There is no better path to social improvement than deploying legions of exceptional leaders into teeth of our most-pressing problems, all the better if they're young enough to be undaunted, with decades of opportunity for contribution ahead of them."

-- Jim Collins, author of *Good to Great*

This is the fastest-moving, most exciting time in the history of business. Incredible opportunities are flying past us at breakneck speed, and once they're gone, they're gone. If you don't have the spiritual and emotional foundation for growing as a leader, those opportunities will roll right over you. Brad Lomenick has become a master at preparing young leaders for the opportunities and challenges they'll face. I'm fired up that he's poured everything he's learned about growing leaders into this book.

--Dave Ramsey, *New York Times* best-selling author and nationally syndicated radio show host

About the Author

Brad Lomenick is a strategic advisor and leadership consultant specializing in influence, innovation, generational issues and business strategy.
