The Dukes of Burgundy (4-volume set): Charles the Bold, John the Fearless, Philip the Bold, Philip the Good By Richard Vaughan

First published nearly forty years ago, Richard Vaughan's masterly four-part history of the Valois dukes of Burgundy has never been surpassed. Beginning with *Philip the Bold*, Vaughan describes the emergence of the Burgundian state. *John the Fearless* defended and developed its power ruthlessly during his ducal reign, which reached its apogee under *Philip the Good*. *Charles the Bold* ruled a state that was recognised as one of the major powers of medieval Europe, his ambition extending to an alliance with England. With the death of Charles fighting the Swiss army at Nancy in 1477, Richard Vaughan brings this history of the Burgundian dukedom to a triumphant conclusion.

Editorial Review

Review

His achievement remains monumental. There are no comparable, modern, in-depth studies of these four larger-than-life players on the late medieval European stage, in English or in any other language. They are, besides, eminently readable. --The Times Literary Supplement

(Maurice Keen)This reissue of Vaughan's seminal series is welcome indeed. Nothing of this scale has been written before or since ... on the Burgundian state ... Erudite but highly readable ... An attractive and timely repackaging of an unrivalled classic of Burgundian studies. --Medium Aevum

Users Review

From reader reviews:

Glenn Pryor:

People live in this new time of lifestyle always make an effort to and must have the free time or they will get lots of stress from both everyday life and work. So , if we ask do people have free time, we will say absolutely indeed. People is human not only a robot.
