**The Love You Make: An Insider's Story of the Beatles** By Peter Brown, Steven Gaines

Here is the national bestseller that **Newsday** called “the most authoritative and candid look yet at the personal lives...of the oft-scrutinized group.” In **The Love You Make**, Peter Brown, a close friend of and business manager for the band—and the best man at John and Yoko’s wedding—presents a complete look at the dramatic offstage odyssey of the four lads from Liverpool who established the greatest music phenomenon of the twentieth century. Written with the full cooperation of each of the group’s members and their intimates, this book tells the inside story of the music and the madness, the feuds and the drugs, the marriages and the affairs—from the greatest heights to the self-destructive depths of the Fab Four.

In-depth and definitive, **The Love You Make** is an astonishing account of four men who transformed the way a whole generation of young people thought and lived. It reigns as the most comprehensive, revealing biography available of John, Paul, George, and Ringo.

Includes 32 pages of rare and revealing photos

## **Editorial Review**

From Publishers Weekly

Nearly two decades after its initial publication, this behind-the-scenes tale reappears in paperback (after all, didn't Rolling Stone say it would "sell forever"?). One of the suit men--as the Beatles dismissively, often with good reason, called the folk who saw to their business affairs--recreates the well-known saga of Beatlemania but does it dispassionately enough to make it interesting. Brown, who directed the Beatles management firm NEMS and later their disastrous financial organization Apple, seems to have survived the experience unscathed, the purges, rancor, glamour, notoriety, the dishonesty, jealousy and infighting among all those who wanted a piece of the action, or a bigger cut, which eventually came to include the musicians themselves as the group began to split apart. While seeming to be objective, he leaves little doubt about his preferences as he discusses the Beatles individually, their parents and in-laws, wives and lovers, probing the personalities to show us the underside of the pop culture with its sleazy pursuit of the big buck. There are revelations about John and Yoko and about their drug addiction, but the material is otherwise pretty familiar. Still, it's a dramatically good story and Brown catches us with the headiness of it all--and Gaines's now well-known name and a new foreword by rock critic Anthony DeCurtis may spark a little extra interest.

Review

"Finally the real story."—**Rolling Stone**

"Literate, complex...more than sensationalism...a hard-hitting yet sympathetic book that unflinchingly captures the highs and lows."—**The Boston Globe**

"The best backstage memoir yet of the most amazing musical phenomenon of our times."—**The Washington Post Book World**

"The definitive book on the Beatles."—**New York Post**

"Beatles aficionados will be amazed by the wealth of detail, the questions answered, and the tale of what happened to the Beatles, their women, their children, and their friends."—**Liz Smith, New York Daily News**

"Leaves the reader tearing through it as though one didn't know how the story ended."—**San Francisco Examiner**

"A gothic tale of drugs, sex, music, greed, booze, and genius...an entire generation's loss of

innocence.”—**People**

“Fascinating.”—**The Indianapolis Star**

“The most sensational Beatles biography...emotionally involving.”—**Esquire**

“The definitive book on the world’s greatest rock group...tells the truth with surprisingly little varnish.”—**Chicago Tribune**

“A dramatically good story....Peter Brown catches us with the headiness of it all.”—**Publishers Weekly**
