The Wealth of Nations (Modern Library) By Adam Smith

Introduction by Robert Reich

Commentary by R. H. Campbell and A. S. Skinner

Adam Smith's masterpiece, first published in 1776, is the foundation of modern economic thought and remains the single most important account of the rise of, and the principles behind, modern capitalism. Written in clear and incisive prose, *The Wealth of Nations* articulates the concepts indispensable to an understanding of contemporary society; and Robert Reich's Introduction both clarifies Smith's analyses and illuminates his overall relevance to the world in which we live. As Reich writes, "Smith's mind ranged over issues as fresh and topical today as they were in the late eighteenth century—jobs, wages, politics, government, trade, education, business, and ethics."

Editorial Review

Review

"Adam Smith's enormous authority resides, in the end, in the same property that we discover in Marx: not in any ideology, but in an effort to see to the bottom of things."

--Robert L. Heilbroner

From the Inside Flap

Adam Smith's masterpiece, first published in 1776, is the foundation of modern economic thought and remains the single most important account of the rise of, and the principles behind, modern capitalism. Written in clear and incisive prose, *The Wealth of Nations* articulates the concepts indispensable to an understanding of contemporary society; and Robert Reich's new Introduction for this edition both clarifies Smith's analyses and illuminates his overall relevance to the world in which we live. As Reich writes, "Smith's mind ranged over issues as fresh and topical today as they were in the late eighteenth century--jobs, wages, politics, government, trade, education, business, and ethics."

"From the Trade Paperback edition.

From the Back Cover

The Wealth Of Nations was recognized as a landmark of human thought upon its publication in 1776. As the first scientific argument for the principles of political economy, it is the point of departure for all subsequent economic thought.

Users Review
