Captivated by You (Crossfire) By Sylvia Day

The #1 New York Times and #1 USA Today bestseller.

Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own.

The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear.

At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream...

Editorial Review

Review

"This fourth instalment in the series is possibly my favourite of the lot, encompassing every single element I hoped to find in it, in particular the careful attention that is paid to these characters' emotional growth and change. Every word in it counts, every emotionally charged scene plays a vital role in the overall storyline, and every part of the puzzle is fundamental to our deeper understanding of the key players in it." - *Natasha (Book Junkie)*, Top Recommendation

"In every way, **Captivated By You** was a true **Crossfire** book...a beautiful, intense, heart-wrenching journey filled with both mistakes and failures and accomplishments and progress. It's passionate, addictive, and truly one of the best I've ever read. I absolutely loved it!!" - *Aestas Book Blog*

"**Captivated by You** captures the reader from the first line and doesn't let go until its satisfying end. As can be expected by a **Crossfire** novel, we witness the exhilarating and passionate love of Gideon Cross and Eva Tramell as they face ghosts from the past while working toward the happy future they both dream of and finally realize they deserve. I didn't want that last page to come." - *The Polished Book Worm*

"The long-awaited fourth book in the popular **Crossfire** series brings almost too much drama, but keeps things balanced with hefty doses of romance between Gideon and Eva. Day has skillfully built a world of characters readers are invested in, and fans will be especially excited to see more of Cary, Ireland, Mark, Megumi and more secondary characters in this installment." - *RT Book Reviews*

More Praise for Sylvia Day and the Crossfire series

"The rush of erotic fiction into the hands of mainstream readers invites consideration of whether twenty-first-century society is flirting with a new normative sexual epoch. Day's novel explores this issue unflinchingly and compellingly by pairing her narrative of sexual temptation and emotional risk with character studies that mirror divisive social and cultural issues of identity, trauma, repression, and liberation."—Andrea Cremer, *New York Times* bestselling author

"You know you're in for a good book when other authors—and I mean LOTS of other authors—recommend it."—*USA Today*
