El origen del universo / George and The Big Bang (Spanish Edition) By Stephen W. Hawking, Lucy Hawking

Con las aventuras de George y Annie, el prestigioso científico Stephen Hawking y su hija Lucy han conseguido acercar a los pequeños, y no tan pequeños, las maravillas y los secretos del universo, y nos han demostrado que la ciencia también puede ser divertida y apasionante. El mayor experimento científico de la Historia está en marcha... ¡Y George y Annie lo verán desde primera fila! Acompañarán a Eric, el padre de Annie, que está trabajando en el Centro Europeo de Investigaciones Nucleares, a Suiza. Allí se encuentra el gran colisionador de partículas, capaz de explorar los primeros instantes del universo: el Big Bang. Científicos de todo el mundo llevan años trabajando en el experimento y nada puede salir mal... ¡hasta que George y Annie descubren un plan para sabotearlo! Llegarán a tiempo para impedirlo?

From reader reviews:

Gina Dana:

Hey guys, do you really wants to finds a new book to study? May be the book with the subject El origen del universo / George and The Big Bang (Spanish Edition) suitable to you? The actual book was written by well known writer in this era. Typically the book untitled El origen del universo / George and The Big Bang (Spanish Edition)is the main one of several books which everyone read now. This kind of book was inspired a number of people in the world. When you read this book you will enter the new age that you ever know previous to. The author explained their strategy in the simple way, consequently all of people can easily to be aware of the core of this reserve. This book will give you a large amount of information about this world now. So that you can see the represented of the world with this book.

Janice Wilham:

This El origen del universo / George and The Big Bang (Spanish Edition) is great reserve for you because the content that is full of information for you who have always deal with world and also have to make decision every minute. That book reveal it information accurately using great plan word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having El origen del universo / George and The Big Bang (Spanish Edition) in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you world inside ten or fifteen moment right but this publication already do that. So , this really is good reading book. Hello Mr. and Mrs. occupied do you still doubt which?

Jeremy Turner:

Don't be worry for anyone who is afraid that this book may filled the space in your house, you could have it in e-book way, more simple and reachable. This kind of El origen del universo / George and The Big Bang (Spanish Edition) can give you a lot of close friends because by you investigating this one book you have point that they don't and make a person more like an interesting person. That book can be one of one step for you to get success. This book offer you information that probably your friend doesn't learn, by knowing more than additional make you to be great men and women. So , why hesitate? We should have El origen del universo / George and The Big Bang (Spanish Edition).

Dolores Albert:

That book can make you to feel relax. This specific book El origen del universo / George and The Big Bang (Spanish Edition) was colourful and of course has pictures on the website. As we know that book El origen del universo / George and The Big Bang (Spanish Edition) has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and think you are the character on there. Therefore , not at all of book usually are make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for yourself and try to like reading which.
