Hyperion By Dan Simmons

A stunning tour de force filled with transcendent awe and wonder, *Hyperion* is a masterwork of science fiction that resonates with excitement and invention, the first volume in a remarkable epic by the multiple-award-winning author of *The Hollow Man*.

On the world called Hyperion, beyond the reach of galactic law, waits a creature called the Shrike. There are those who worship it. There are those who fear it. And there are those who have vowed to destroy it. In the Valley of the Time Tombs, where huge, brooding structures move backward through time, the Shrike waits for them all.

On the eve of Armageddon, with the entire galaxy at war, seven pilgrims set forth on a final voyage to Hyperion seeking the answers to the unsolved riddles of their lives. Each carries a desperate hope—and a terrible secret. And one may hold the fate of humanity in his hands.

Praise for Dan Simmons and *Hyperion*

“Dan Simmons has brilliantly conceptualized a future 700 years distant. In sheer scope and complexity it matches, and perhaps even surpasses, those of Isaac Asimov and James Blish.”—*The Washington Post Book World*

“An unfailingly inventive narrative . . . generously conceived and stylistically sure-handed.”—*The New York Times Book Review*

“Simmons’s own genius transforms space opera into a new kind of poetry.”—*The Denver Post*

“An essential part of any science fiction collection.”—*Booklist*

Editorial Review

Users Review

From reader reviews:

Bernadine Williams:

This Hyperion book is simply not ordinary book, you have it then the world is in your hands. The benefit you receive by reading this book is actually information inside this publication incredible fresh, you will get info which is getting deeper an individual read a lot of information you will get. This specific Hyperion without we understand teach the one who studying it become critical in imagining and analyzing. Don't possibly be worry Hyperion can bring when you are and not make your case space or bookshelves' grow to be full because you can have it in your lovely laptop even cellphone. This Hyperion having excellent arrangement in word along with layout, so you will not really feel uninterested in reading.

Ray Ellis:

Reading a publication tends to be new life style in this era globalization. With examining you can get a lot of information which will give you benefit in your life. Using book everyone in this world could share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story or their experience. Not only the story that share in the books. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors in this world always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Hyperion.

Paula Cofield:

Spent a free time for you to be fun activity to try and do! A lot of people spent their spare time with their family, or their friends. Usually they performing activity like watching television, likely to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own free time/ holiday? Might be reading a book can be option to fill your totally free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to test look for book, may be the reserve untitled Hyperion can be excellent book to read. May be it might be best activity to you.

Laree Drummond:

Precisely why? Because this Hyperion is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content interior easier to understand,

entertaining technique but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I were being you I will go to the guide store hurriedly.
