This new revised edition is a must have! Even if you own the previous edition the photos and examples along with the writing are worth it. Turid has a wonderful gift of making everything so easy to understand and relate to...(she has made) an enormous contribution to mankind in our ever-increasing knowledge of man's best friend our dogs. --Pamela Dennison, author of Complete Idiots Guide to Positive Dog Training and Bringing Light to Shadow. A Dog Trainer's Diary

Invaluable! The insightful observations of Turid Rugaas can help all of us have a deeper and more meaningful relationship with our dogs. This beautifully illustrated book belongs in the home of dog lovers everywhere. --Patricia B. McConnell, Ph.D. author, The Other End of the Leash, Cautious Canine, Feeling Outnumbered and more

I personally owe Turid a great debt because her work validated my observations that dogs are trying very hard to talk to us. This book was my guide and added amazing volume to my knowledge base. Her book provided the confidence to continue watching and interpreting. What a lovely gift! --Brenda Aloff author of Aggression In Dogs and Canine Body Language, A Photographic Guide
