### Editorial Review

From Publishers Weekly

At the start of this gut-wrenching stand-alone from bestseller Scottoline (Think Twice), an explosion rips through the nearly empty cafeteria of Reesburgh (Pa.) Elementary School. Lunch mother Rose McKenna leads two girls to safety before racing to rescue her own daughter, Melly, but Rose soon learns that she may face both civil and criminal charges for her heroics because one of the girls she saved was seriously injured in the resulting fire that killed three school staff members. The tension rises as the united front presented by Rose and her lawyer husband, Leo Ingrassia, begins to disintegrate in the face of media demands, legal maneuverings, and social pressures. Rose must also deal with school bullying (Melly has a noticeable facial blemish), difficult legal problems, and her husband's reaction when a secret from her past is revealed. Scottoline melds it all into a satisfying nail-biting thriller sure to please her growing audience. 400,000 first printing; author tour. (Apr.)

Suburban mom [Rose McKenna] is forced to make a split-second decision after an explosion goes off in the school cafeteria in which she volunteers. Should she rescue her own daughter, Melly, trapped in the bathroom, or lead the girls standing in front of her, who constantly bully her daughter, to safety? Her choice reverberates throughout the little town of Reesburgh, Pennsylvania, as she is cast as the villain by the local news anchor, parents, and the school. While her attorney and husband construct a defense plan that includes filing a lawsuit against the school, [Rose] sets out to seek the truth behind this mysterious, accidental fire. With the help of a construction worker who may know the cause of the explosion as well as an incognito visit to a local factory, [Rose] slowly unravels the truth and along with it some hidden secrets in Reesburgh's dark past, including one horrifying buried memory of her own. At the quick pace of a thriller, Scottoline masterfully fits every detail into a tight plot chock-full of real characters, real issues, and real thrills. A story anchored by the impenetrable power of a mother's love, it begs the question, just how far would you go to save your child? --Annie McCormick
