### The Subcultures Reader From Routledge

The only collected work of its kind in the field, *The Subcultures Reader* brings together the most valuable and stimulating writings on subcultures from the Chicago School to the present day.

All the articles have been specially selected and edited for inclusion in the *Reader* and are grouped in sections, each with an editor's introduction. There is also a general introduction to the collection, which maps out the field of subcultural studies.

Providing an essential guide to the subject, it enables students and teachers to understand how subcultural studies developed, the range of work it encompasses, and provides potential future directions of study throughout the field.

### **Editorial Review**

#### **Amazon.com Review**

First coined in the 1940s, the term "subculture" has been applied to society's most interesting, and, often, most inventive elements. Through a collection of articles written over the last 50 years, this book traces both the history of the academic study of subcultures and the history of subcultures themselves. While you'll find the usual assortment of articles on punk rock, street gangs, and *Star Trek* fans, what is perhaps most interesting are the articles from the early days of "subculture studies." Two of the highlights include a piece by Paul G. Cressey on 1930s taxi dancers and their opinions on race and class, and an article by Howard Becker on the language and attitudes of jazz musicians in the early '60s. The 55 selections in this volume offer a rich spectrum of subcultures and the academic responses they have evoked.

#### **About the Author**

Ken Gelder is a Reader in the Department of English and Cultural Studies at the University of Melbourne. His books include *Reading the Vampire* (1994) and, with Jane M. Jacobs, *Uncanny Australia: Sacredness and Identity in a Postcolonial Nation* (1998). He is also editor of *The Horror Reader* (2000). His new book, *Popular Fiction: The Logics and Practices of a Literary Field*, will be published by Routledge in December 2004.

**Holly Murphy:**

As we know that book is very important thing to add our knowledge for everything. By a guide we can know everything we wish. A book is a set of written, printed, illustrated or even blank sheet. Every year has been exactly added. This guide The Subcultures Reader was filled with regards to science. Spend your free time to add your knowledge about your technology competence. Some people has diverse feel when they reading any book. If you know how big good thing about a book, you can feel enjoy to read a book. In the modern era like currently, many ways to get book that you just wanted.

**Willa Killeen:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Subcultures Reader can make you really feel more interested to read.
