Editorial Review

Review

18 months in preparation, immense in scope and staggering in detail, Voyagers II 2e will blow your socks off. -- *The 5th World Journal, #2001.2*

Sooo many of our questions are answered in these books, and so many explanations use the vocabulary we can understand. -- *Margaret Shckelton, Chandler AZ*

From the Publisher

This is a phenomenon that some people are missing out on, which is a pity. Those who are aware know that this is the finest source of information relevant to the real agendas being carried out on Planet Earth. This is not channeled material. It is directly transmitted consciously to Ms. Deane by guardian ETs.

From the Author

In this book I explain the relationship between the "9/11 Disaster" event and the Guardian Alliance emergency release materials that we have been progressively teaching within the public forum since the end of 2000. It is within our understanding of the "Big Picture" drama that real comprehension of events such as the "9/11 Disaster" can be gained. Real comprehension is essential if we are to recognize that this seemingly isolated event of international horror represents the greater reality of what is called a "Trigger Event," which is an external, mass event that is covertly orchestrated by seemingly unrelated "hidden forces" from "behind the scenes"—an event that represents the "pressing of the start button" within the invisible Illuminati World Management Team machine. Trigger Events are orchestrated strategically from off-planet sources in order to set in motion, through remote psychotronic mobilization of the unsuspecting on-planet Illuminati force, a series of national and global changes that are intended to move the global arena toward fulfillment of hidden Fallen Angelic/Intruder ET objectives. It is through understanding these hidden objectives as they exist behind and within the global drama that we, as individuals and nations, are empowered to choose educated, effective action through which the ideals of peace, freedom, brotherhood and love can be attained.
